Border Invasion

The US government working hand in hand with Non Government Organizations… or NGO's, to bring millions of illegals into the united states. If you don't think this is all planned you need to get your head examined. Our nation is being invaded by people that hate us. We are being betrayed by treasonous politicians in our own government who are intentionally and strategically destroying America. The worst part is Americans, through our taxes, are funding our own demise.

BORDER TRUTH – The Replacement Theory

The Replacement Theory is real. The situation is now simply a math problem. This is a math problem with several variables that are exponentially accelerating the intentional downfall of America… *Read the rest* ***HERE***.
