

Open Borders Invasion – White Replacement / States Rights

You're about to see and hear a special and urgent program on the consequences of open borders on the remnant and fast disappearing white majority of America. The United States of America is under attack, and the Biden regime is actively aiding the attackers. This is an urgent and existential crisis. How, why and when did America's borders collapse? And who is behind it? The federal government has an obligation to the people of the United States to protect its borders and to protect the people from invasion, occupation, and the replacement of the American people.
