Senate Dems Vote Against Spending Package Amendment to Stop Biden from Using Taxpayer Dollars to Fly Illegals INTO America

The disastrous omnibus bill does nothing to secure the border while allocating millions of dollars to funding full-term abortions, LGBTQ programs, and youth gender transitioning programs. It also funds the Biden Regime to continue its attack on the Second Amendment with a federal gun-grab operation to keep firearms out of the hands of people who they say "pose a threat to themselves and others."

Senator Bill Hagerty posted a clip from the Senate Floor on Friday night, commenting, "Tonight **every single Senate Democrat** voted against my amendment that would stop Biden Admin from using taxpayer dollars to charter flights for hundreds of thousands of illegal aliens from their countries directly to American towns to be resettled. Indefensible."

Watch below:

HAGERTY: *In order to consider my very simple and reasonable amendment, it's vital that the Senate must move the Democrat leaders blocking the amendment out of the way in order to move forward with my amendment. Let me cut through the procedural language here. I'm bringing forward a vote on a very simple question: Do you support American taxpayer dollars being used to fly illegal immigrants from countries like Venezuela and Haiti into America to be settled in cities and towns near you? If so, then vote against me; Vote 'No' to preserve this practice of using taxpayer dollars to charter planes that move and import 1000s of illegal aliens into your states.*

Make no mistake here. President Biden has been secretly flying hundreds of thousands of illegal aliens from foreign countries into Blue City airports. Just last year alone, in 2023, it was reported that some 320,000 illegal aliens had been flown in using this method.
