

It's Not a Friendly Migration

Migration is a term used for birds that temporarily fly to warmer weather. This term is incorrectly applied to foreigners who are breaking the immigration laws of the United States. The Darien Gap is the invasion route to our country, and "it's not a friendly migration."

*Ep. 71 Bret Weinstein traveled to the Darien Gap to understand who's behind the invasion of our country. His conclusion: "it's not a friendly migration."
