Corrupt – Counterfeit – False Church Teachers

Perilous Times of 2 Tim 3:1 – 4:5

Restored to Freedom

I have been amazed at how many people are shocked to having their eyes opened to learn the truth of just how much evil and corruptness there is in the world as it is now being exposed more and more. When people call themselves “Christian” yet are abusive, controlling, lying, sexually perverse, and worse whenever they leave the presence of their church. We have to look at the actions of people and not their words. The world is expected to be evil but those who are in the church who call themselves Christian yet are verbally abusive to their spouse, yell at their children, get drunk, behave sexually impure, live immorally, cuss, and lie every day.

People are finally waking up to learn that the liberal news sources that they have been watching their whole lives (CNN, NBC, ABC, CBS, MSNBC, even at times FOX) are lying to us and have been for years…it’s just been that during the last year

it has gotten worse and much worse. The enemy in the people who work for them has a very evil agenda in trying to control and manipulate them to hating things that are good and trying to portray things that are evil as good. Let's face it….the media is against Jesus Christ and God and all values that are important to living a good life. Therefore they will try to convince people that anyone and anything that is good is actually bad. That is why you see the news coming against President Trump so strongly more than any man in the history of the world by trying to convince people he is bad and not good. People have to discern that whenever the liberal news sources say something is bad….then it is actually good. And when they report that a person or situation is good…the people and situations are usually bad. The enemy (Satan) and his demons know how to control people and that is by taking over the news sources, universities and churches. Yes churches. The church in large part does NOT want people to be delivered from the demons tormenting them. That is why the church is such a mess. That is why the US government had them agree to not talk about various political candidates when they agreed to give all tithers a tax break on their taxes if they donated to the church via the 501 (c)(3) Johnson Amendment since 1954. President Trump spoke at a prayer breakfast on May 2, 2019 and told the pastors that he got rid of the Johnson Amendment so that they could speak out on which candidates to support and tell the truth.

So it seems ridiculous but we have been brainwashed for a long time and now have to repent and retrain ourselves on what exactly is evil. People have been calling evil good and good evil for many years which is exactly what Isaiah 5:20 talks about . We can no longer believe people who say they are Christians anymore because most are not as of what the Bible says.

2 Timothy 3:1-5 King James Version

Perilous Times and Perilous Men – 1 This know also, that in the last days perilous times shall come. 2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, 4 Traitors, heady, highminded, lovers of pleasures more than lovers of God; 5 Having a form of godliness, but denying the power thereof: from such turn away.

Isaiah 5:20 – Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

So here goes…for those who are confused…the things below are just some of the things in the world that are evil that evil people are calling good:

- Abortion (killing babies is what Jezebel did to Molech and many other nations in the Bible, King Herod killed babies trying to kill Jesus)
- Prostitution & Pornography (throughout the Bible there were temple prostitutes in Ancient Greece in Corinth and Cyprus, Pontus and in the Hellenistic world, Rome – temples to Venus, Aphaca and Heliopolis and now throughout Asia – India, Indonesia, Japan, United States, every country)
- Pedophilia (many evil people have been having sex with children – especially the wealthy, Hollywood, Deep State, Mormons, Freemasons, Catholic priests, other church denominations, etc.)
- Adrenochrome (drinking the blood from children 8 years of age and under who were tortured in order to make an adult appear younger in age)
- Homosexuality (the Bible is very clear many times that homosexuality is a sin and people will be punished who pursue it. Just look at what happened to the cities of

Sodom and Gomorrah as fire and brimstone wiped them out. Anyone who has chosen this lifestyle is because they have usually been sexually harmed or had a bad relationship with their father or mother and then demons start to speak to their minds and they listen to the thoughts and agree with them. They need their soul wounds healed and demons cast out.)

- Transgender (these people have all been hurt growing up and are hearing from demons causing them to be confused and they need their soul wounds healed and demons cast out)
- Freemasons / Illuminati / Cabal (these people serve "The Great Architect of the Universe" which is Satan. There are about 6 million Freemasons around the world and they are corrupt financially and sexually. They have been wanting a One World Government so that they can reap financial benefits and sexually.)
- COVID-19 (the overreaction to this China created and released virus has solely been to try to hurt the US economy in order to hurt President Trump's re-election campaign because the Deep State know that justice will happen to them with four more years of Trump in charge. Liberal Democratic Governors from California, Oregon, Washington, Michigan, New York and others have been trying to hurt their own state's economies to try to blame President Trump so he won't get re-elected).
- Racial Hatred / Riots (God loves all of us equally and all lives matter to the Lord. Violence, hatred and murder are not of the Lord, period. The enemy is behind all division, pride and anger and hatred.)
- Witchcraft / Occult / Wicca (anyone who practices witchcraft is sinning against God. You are trying to control and hurt people. You need to get your soul wounds healed and demons delivered)
- Yoga (there are millions of gods that are worshipped in the Hindu practice of Yoga, chakras, poses to the gods, and the practice of Yoga is an entry point to allow the

enemy to attack unaware people)
- Hyper Grace (so many churches are ignoring sin in people's lives saying God loves them and they can keep sinning blatantly without asking for forgiveness and repenting. Revival will never happen until people repent).

We have to all wake up and stop accepting what is being fed to us from the liberal media, universities and even the mainstream church. We must pursue righteousness and holiness. Forgiving people for hurting us, humbling ourselves, repenting for our sin and pursuing a life aligned with Christ. We must ask the Lord to speak to us and then do what He says.

The world is getting worse and worse and they have been infiltrating the church for a long time. Satan knows that he needs to get as many of his people in the church to control godly people and will do everything to come against people getting truly delivered from the demons tormenting their minds. In the U.S. alone there are over 1.4 million witches who attend mainstream churches. As people get more delivered then their discernment level will increase and their spiritual eyes become more open and they can truly understand who and what is good and who and what is evil.

The world is never going to be the same again. 2020 was a year of great shifting and the evil in this world is being exposed more than ever. Are God's people going to stand up for righteousness and purity and do something about it – or are they going to shrink back and shut their mouths and let Satan take more control? Too many Christians have kept quiet and allowed the enemy to take over. It's time that the silent majority become more vocal for Christ and take back what the enemy has stolen. Do not cower in fear anymore because look at how evil this world has become. Disney is after our children to replace godly values with evil. Hollywood has

corrupted so many lives and the movies that they put out are to control your minds and decisions. What kind of music do you listen to daily? Enough is enough…it’s time to take back for Christ all that is ours as He laid His life down for us. Speak up and no longer be the silent majority…be the vocal majority for Christ!
