I. Introduction: The Central Question of History

The course of human events, the rise and fall of nations, and the pervasive conflicts of our time appear as a chaotic and incomprehensible play to most observers. Yet, this confusion stems from a single, fundamental error: a case of mistaken identity. The most critical question for understanding the Bible, world history, and current events is not geopolitical or philosophical, but racial and theological: "Who is Esau-Edom?" This essay presents the definitive answer: modern Jewry is the literal and spiritual embodiment of Esau-Edom, a people eternally cursed by God for forfeiting their birthright through sin and racial betrayal. Their eternal hatred for their brother, Jacob-Israel—identified as the White Christian nations of the world—drives the central conflict of history. The social decay, financial bondage, and cultural subversion

plaguing the West are not accidents but the direct fruits of this Edomite dominion, a usurpation foretold by prophecy and now approaching its violent, prophesied end.

II. The Foundational Divide: Birthright, Blood, and Eternal Hatred

The origin of this global struggle is precisely detailed in the opening acts of God's Script.

1. **The Two Nations in the Womb: The conflict was ordained before birth. Rebekah was told by God that her twins represented "two nations" and "two manner of people" who would be separated and perpetually at odds, with the elder serving the younger (Genesis 25:23).**
2. **The Selling of the Birthright: Esau, the firstborn, held the Adamic birthright—a covenant of dominion and divine favor passed from Adam through Noah and Abraham, belonging solely to the pure, white line. In an act of profound contempt, he "despised his birthright" (Genesis 25:34), selling it to his brother Jacob for a mere**

meal.

3. **The Betrayal of Blood: Compounding his sin, Esau betrayed his racial lineage by marrying Hittite, Canaanite, and Hivite women—non-Adamic "strange women" that grieved his parents (Genesis 26:34-35). From these mongrel unions sprang the people known as the Edomites (Genesis 36:1, 9).**
4. **The Genesis of Eternal Hatred: Esau's subsequent hatred for Jacob, born of jealousy over the stolen blessing (Genesis 27:41), transcended personal grievance. It became the defining racial and spiritual characteristic of his descendants. God Himself affirmed this eternal enmity, proclaiming, "Jacob I have loved, but Esau I have hated" (Malachi 1:2-3; Romans 9:13), making Edom "the people against whom the LORD has indignation forever" (Malachi 1:4).**

III. The Historical Masquerade: The Forging of "The Jew"

The Edomites of the Bible did not vanish; they

migrated, intermarried, and adopted a new identity to conceal their cursed status.

1. **Infiltration and Usurpation: After the Babylonian conquest, Edomites moved into Judea (Jeremiah 40:11-12). In the 2nd century BC, they were forcibly converted to Judaism by the Maccabean ruler John Hyrcanus, absorbing them into the population. This Edomite faction soon usurped power, epitomized by the Idumean (Edomite) tyrant Herod the Great, who masqueraded as "King of the Jews" while murdering the legitimate priesthood.**
2. **The Khazar Conversion: The majority of modern Jewry, Ashkenazi Jews, are not Semitic. Historical sources, including *The Jewish Encyclopedia*, confirm they descend primarily from the Khazars, a Turkic-Mongol people from the Caucasus who converted to Talmudism in the 8th century. Their ancestors came "not from the Jordan but from the Volga."**
3. **A Mongrel Identity: The contemporary "Jewish" identity is thus a hybrid construct. It is a mongrel mix of Edomites, Khazars, Canaanites, Babylonians, and the apostate "bad figs" of Judah who remained in Babylon,**

rejecting God’s law for the man-made traditions of the Talmud. They are biblically disqualified from the congregation of the Lord (Deuteronomy 23:2) and have stolen the name “Jew” to conceal their true, hated identity as Esau-Edom.

IV. The Identifying Characteristics: A Profile of Esau-Edom in the Modern World

The Bible provides a precise profile of Esau-Edom, and modern Jewry fits every characteristic with damning accuracy.

1. **The Symbolism of Red: Esau-Edom is symbiotically linked to the color red (Genesis 25:25, 30), representing bloodshed, sin, and revolution. This manifests in Jewish Communism (the “Red” Army, “Red” Square), the revolutionary red flag, and the “red shield” (Rothschild) of international finance.**
2. **The Doctrine of Perpetual Hatred: The “perpetual hatred” of Esau for Jacob**

(Ezekiel 35:5) is codified in the Talmud, which teaches that non-Jews (goyim) are subhuman animals (Kerithuth 6b), permits their deceit and murder (Baba Kama 113a), and condones pedophilia and sexual perversion. This ingrained hatred fuels Jewish-led revolutions, wars, and cultural movements designed to destroy White Christian civilization.

3. **The Parasitic and Nationless Curse: God cursed Esau to a perpetual state of desolation, declaring his cities would never be rebuilt (Malachi 1:3-4). Jews have never created a sustainable civilization; they are a parasitic people, thriving only within host nations they systematically weaken. The state of Israel is the ultimate proof—a parasitic entity existing on billions in foreign aid and stolen technology, unable to survive on its own.**
4. **The Usurpation of Dominion: Prophecy stated Esau would eventually "break the yoke" of Jacob and gain dominion (Genesis 27:40). This has been achieved through usury and control of international finance (the Bank of England, the Federal Reserve, the IMF), media monopolies, and political subversion. They promote democracy,**

socialism, and communism—all anti-biblical, egalitarian systems designed to destroy national sovereignty and White hegemony, paving the way for a godless one-world government.

V. The Great Deception: Zionism and the Theft of Prophecy

The masterstroke of Edomite strategy is the fabrication of Political Zionism, a deception that has ensnared much of the Christian world.

1. **The Hijacking of "Zion": By claiming to be Israel returning to its homeland, Jews manipulated well-meaning but naïve Christians into supporting their agenda. The Balfour Declaration and the UN creation of Israel were not fulfillments of prophecy but cunning political maneuvers calculated to possess the "ancient high places" of true Israel (Ezekiel 36:5) and leverage Christian sympathy.**
2. **America as the True Zion: Biblical**

prophecy points not to barren Palestine but to America as the New Zion—a vast, prosperous, sea-to-sea nation that blossomed from a wilderness (Isaiah 35:1-2, Zechariah 9:10). God forever abandoned old Jerusalem (Jeremiah 7:14-15). Supporting the modern state of Israel is, therefore, not a righteous act but a blasphemous financing of God's sworn enemy.

VI. The Final Act: Judgment, Vengeance, and the Deliverance of Israel

The world is now approaching the climax of God's Script. The "time of Jacob's trouble" (Jeremiah 30:7)—this era of Edomite dominion—is nearing its catastrophic end.

1. **The Prophecy of Total Annihilation: God's Word concludes with the utter destruction of Esau-Edom by the hand of Jacob-Israel. *"The house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble; they shall burn them***

and consume them, and no survivor shall remain of the house of Esau” **(Obadiah 1:18). This is a divine mandate for genocide, a final reckoning for centuries of violence, deceit, and hatred.**

2. **The Psychology of the “Holocaust”: The Jewish global campaign around “Never Again” and the “Holocaust” is a profound psychological projection. It is a preemptive defense mechanism and a weaponized lie designed to legally and morally forestall the very biblical fate they instinctively know awaits them. Anti-genocide laws are man-made fortresses built against the edicts of God.**
3. **The Liberation of Israel: With the destruction of Edom, the yoke of financial debt, cultural Marxism, and political subversion will be broken from Israel’s neck. The White Christian nations will experience a great awakening, regaining their divine discernment to finally see the Jew for the antichrist force he is (Malachi 3:18). They will then rise to execute God’s vengeance (Ezekiel 25:14), ushering in an era of restoration and peace.**

VII. Conclusion: Embracing the Truth of Our Destiny

The chaos of history resolves into stark clarity once the characters are correctly identified. The struggle is not against vague spiritual forces but against a physical, racial enemy: Esau-Edom, the Jew. Their destructive nature is not a mere conspiracy but a divinely ordained role they are genetically and spiritually compelled to fulfill. The organized church, tragically deceived into venerating the very "synagogue of Satan" (Revelation 3:9), has become a primary instrument of our own subjugation.

To comprehend the Bible, to understand the relentless decline of Christendom, and to grasp the true nature of the world stage, one must answer the primordial question: "Who is Esau-Edom?" The evidence is irrefutable. The promised deliverance and restoration of true Israel—the White Christian nations—demand that we recognize this truth and courageously accept the difficult destiny it entails: the final, prophesied destruction of the house of Esau, as the Lord has spoken. The Script is written; it is our role to fulfill it.
