

# **Flu Injections Explained By Dr Ardis**

The REAL purpose of almost ALL vaccines is to INCUBATE DISEASE that will pop out decades later (harder to trace it back to the crime) to assure a continual stream of business for doctors and drug companies. Drug companies do NOT want a "cure" for ANYTHING... they want an expensive control that you have to take for the rest of your life. Doctors know LITTLE about HEALTH; they know a little more about disease, but mostly, they know about pharmaceutical DRUGS. Robert, Sacred Truth Ministries
